Denver Broncos All Star Members will participate in weekly practices 2-3 times per week, from August through February. All Stars will participate in 1 to 2 training camps and choreography practices. Dates TBD.

The Denver Broncos All Stars program is a competitive program that strives for excellence. This will require a tremendous amount of commitment including attendance at practices, games, competitions and the ability to work together as a team.

The team will have a current or alumni Denver Broncos Cheerleader as their instructor for all of the 2015 season. Instructors for the All Star program not only have experience as a Denver Broncos Cheerleader but also have years of experience teaching dance.

Team schedules will be determined after the tryout process. We will determine how many teams we will have based upon age and ability levels after the final evaluation in May. Each team will be given one practice and one technique class off per month.

Practices will focus on technique and choreography for competition and performances. Missing practices may result in your daughter not being able to compete or perform. Please see attendance rules below.

**Attendance Requirements**: Each All Star will receive 4 excused and 2 non-excused absences for the season. The definition of excused is mandatory school requirements for grade, funeral and illness. You must provide the instructor documentation for it to be deemed “excused”. All Stars may NOT miss practice the week of a competition or big performance, even if the absence is deemed “excused”, or they will be in jeopardy of being pulled from that competition or performance. 3 tardies equal an unexcused absence. If your daughter is late or absent, please fill out the absence request form and turn it in to your daughter’s instructor. Please do not make your instructor ask for these, just hand them in immediately. If your daughter misses a rehearsal for any reason, it is her responsibility to get with another teammate to learn any changes or missed material. The coach or coaches will not re-teach what she missed.

In case of a snow storm, or inclement weather conditions, we base all cancelled rehearsals or technique classes on the DPS school closures. Your coach will notify you by 12 noon if practice is cancelled. This cancellation would take the place of the one off practice that month. If you feel it unsafe to drive your daughter to the stadium you may use one of your non-excused absences and stay home. For Saturday classes, the instructor will be in touch with you for whether or not class is cancelled. Please don’t call or email Lauren, your coach or team mom multiple times throughout the day of a snow storm. We will contact you if practice is cancelled. If you don’t hear that class is cancelled, plan on practice as usual.

**Attire**: All members are required to wear the designated All Stars practice uniform at each practice, as well as jazz shoes and tennis shoes. Hair needs to be back in a pony tail, no jewelry and no gum. Please make sure your daughter comes dressed appropriately to practices. Competition Jazz shoes are not allowed to be worn in rehearsal.
Team placement will be decided during an evaluation process where placement will be based on dance technique, choreography, memory, facial expression and positive attitude.

Skill recommendations for auditions are:
- Double turn (right side)
- Right and left splits
- Right tilt
- Right or left leg hold extensions (inside or out)
- Right and left leaps
- Double Toe Touch
- Right and left high kicks (kick line)
- Bow and Arrow Extension
- Center splits
- Inside leg turn
- Left tilt
- Center leap
- Switch leap
- Scorpion
- Fouette turns
- Tours/turns in second

The evaluation is meant to see where you’re at with each of these skills, you do NOT need to have all of these mastered for the final evaluation and to become an All Stars Cheerleader.

Competitions and Performances

The Denver Broncos All Stars will represent the Broncos and the Broncos Cheerleaders at three to four local competitions, competing in pom, and possibly hip hop and/or a Nationals competition. Parents are responsible for transportation to and from all competitions. Instructors will hand out detailed information prior to each competition which includes call time, directions, uniform instructions, etc.

For Nationals, All Stars and parents are required to purchase their own airfare/transportation and hotel. The director will instruct parents as to what day and timeframe they need to arrive and what hotel everyone should stay at. There must be one parent chaperone per two All Stars on Nationals trips. The Nationals fee (TBD) covers the competition cost at Nationals only (see financial obligation page).

The Denver Broncos All Stars will also participate in 3-4 Broncos games during the 2015 season. Dates are TBD. The All Stars will also perform at 3-4 local charity and community appearances.
**Uniform Pieces**

All potential All Star members will be individually fitted for uniforms during workshops and classes in May. Everyone will need to purchase uniforms, practice wear, warm ups, poms and shoes.

All Stars may also be required to purchase an additional hip hop uniform during the season.

All uniform pieces purchased through the program are for All Stars events only. If you would like to wear it at any other public event not associated with All Stars you must call the director to get approval in advance. Wearing your uniform to school for “Broncos Day,” etc. is fine as long as it adheres to your school’s dress code policy.

Please make sure to **LABEL** all uniform and apparel items with your All Star’s name. You and your All Star are responsible for all uniform items at practices, competitions and performances. If they are lost you must pay to have them replaced. Always keep any items you are not using in a bag marked with your All Star’s name.

☆ New members will purchase a make-up kit at the beginning of the season.

☆ Veteran members can use their current make-up kit, however you may be required to purchase a few replacement or new items depending on your particular coach.

**Fundraisers**

To help offset expenses we will offer a few fundraisers during the season. However, you should not depend on fundraisers to pay for your expenses.
Parent Guidelines and Correspondence

All parents will be required to sign the parent code of conduct. We are a unique program in which we represent the Denver Broncos organization and it is extremely important that every parent abides by our code of conduct. During rehearsal, parents will be invited to watch the last 10 minutes of practice. We ask that parents leave the “coaching” to the experts! This will help ensure a positive clinic environment and that each child remains focused on her instructor. Parents and siblings are not allowed to tour the stadium or disrupt the practice environment.

All correspondence should be done by email. It is your responsibility to make sure your email address is updated in our database. You can also email or call the director at any time with questions, comments or concerns. The director will send out a monthly newsletter. This will cover general announcements, upcoming events and reminders. Please check and respond to your email in a timely matter.

We encourage parents to express concerns by email. The director is often unable to adequately address parent concerns or input during rehearsals. At no time is it appropriate for parents to email or phone coaches about choreography, formations, etc. Again, please leave the coaching to the experts!

Parents and All Star members are not allowed to be friends with the director or coaches on Facebook or other social media. All Stars are never allowed to call, text or email their coach. Parents can contact the director with questions, comments or concerns. See contact information on cover packet page.
